NARROWLY AVERTED

Only because of the timely and fortunate discovery of a blaze on the second floor of the Opera House block early Sunday morning, was a bad fire averted, which might have had serious results in the business districts of the city. A waste basket in the hall on the second floor of the building caught fire in some way, probably from a match, cigarette, or cigar being dropped into it. The basket and paper caught fire, and burned in the floor before being discovered. A prompt response by the fire department aided in keeping the loss to a minimum, as only a small hole about a foot square was burned in the floor. The paint on the walls in the immediate vicinity of the blaze was blistered, and will probably necessitate the repainting of the hall.

Bicycle for One-Legged Riders.

A French firm has devised an ingenious method of adapting a bicycle to the one-legged rider. The chain is cut and one end attached to the sprocket, while the other end is secured to a coil spring from the lower frame. In this way the rider simply pushes the pedal down, and the spring draws it up again, and the usual rotary motion so difficult for the one-legged rider is eliminated.

Something of a Leading Question.

An older brother had recently married and Bobby had been told that he could call his new sister-in-law Mary. Instead of Miss Harbison as before. A few nights later, when a devoted admirer of his older sister was entertained at dinner, Bobby caused much embarrassment by inquiring, "Mother, how soon can we begin calling Mr. Carter Mary?"

Peruvian Sugar.

The enormous production of sugar and to the north is one of the surprises of Peru. An average crop of forty tons an acre is obtained, while sixty and even seventy tons is not uncommon. In other sugar growing countries, including Cuba, twenty-five tons per acre is the rule.

Eggs Five Cents Per Dozen.

Price fixing can be dated as far back as the fourth century, when Diocletian placed the price of eggs at 5 cents a dozen.

AN ALMA WOMAN'S EXPERIENCE

Can you doubt the evidence of this Alma woman?

You can verify Alma endorsement. Read this:

Mrs. Josephine Vanormer, 416 W. Mechanic Street, says: "For many years I suffered from rheumatic pains in my back and limbs. I was nervous and dizzy. I didn't sleep well at night and mornings felt all tired out. Kidney and bladder weakness bothered me, too. Doan's Kidney Pills greatly relieved these ailments. I hadn't used them long before the dizzy and nervous spells left, together with the rheumatic pains. Doan's Kidney Pills can be depended upon to give good results."
